教學綱要

部別：日間部學士班

114學年度第2學期

列印日期：2026/01/21

科目名稱：聖經文學 (Bible Literature) 開課班級：應英一年級 學分：2.0 授課時數：2.0
授課教師：蘇淑品 必選修：選修

1. 教學目標

Objectives: The main purpose of this course is to help you learn how to use important Bible wisdom and principles in your life so you can benefit from taking this course. Also, it will help you find your way around in the Bible 1. demonstrate a basic understanding of the literary study of the Bible, including some Biblical themes such as exile, healing, poverty, grace, fall from grace etc. that that one might find in poetry, novels or other genres, as well as an introduction to literary analysis. We will also explore its literary genres, forms, and motifs, many of which are important to English and American literature--for example, origin stories, hero stories, psalms, parables, the loss of Eden, the Promised Land. 2. read a biblical passage with a basic understanding of what it says and of the challenges associated with applying it to our own contemporary situations 3. appreciate the importance of the Bible to various communities of faith, individuals, and cultures 4. present your own insights about the Bible intelligently in an academic environment.

2. 教學綱要
