1. 教學目標

The course for students who want to increase their word power. Thorough coverage of 1,200 words and 240 roots while introducing 2,300 words. The Vocabulary Builder is organized by Greek and Latin roots for effective study with nearly 250 new words and roots. Includes quizzes after each root discussion to test progress. A great study aid for students preparing to take any international standardized proficiency tests for prepping for SAT, TOEFL, & TOEIC. IELTS.

2. 教學綱要

By the end of this course, students will be able to:

1. Recognize and analyze common Greek and Latin roots to infer word meanings.
2. Expand academic and test-oriented vocabulary for SAT, TOEFL, and TOEIC.
3. Use newly learned vocabulary accurately in context.
4. Improve word recognition, retention, and independent vocabulary learning strategies.
5. Apply vocabulary knowledge to reading comprehension and exam-style questions.
